

JAMILYN CHRISHA CHAN

NDIS Administrative & Compliance Support

Bacoor, Cavite, Philippines | +639691454898 | jamilynchrisha.chan@gmail.com

Portfolio: jamilynchrishachan-web.github.io/Jamilyn-Chrisha-Chan--Portfolio | Available: Full-time | PHT (GMT+8)

PROFESSIONAL SUMMARY

Customer support and operations professional with 3+ years managing high-volume case work, CRM records, and documentation for AU/NZ and US-based organizations — processing 200+ monthly cases at 98% accuracy with sub-2-hour response times. Completed NDIS Worker Orientation and Induction training, and built a full-featured service-agreement tracking system for NDIS providers, including role-based access control and automated compliance reminders. Brings strong documentation, compliance, and case-coordination habits to disability support administration.

NDIS CERTIFICATIONS

NDIS Worker Orientation Completion Certificate (Jul 2026) • New Worker – NDIS Induction Module Completion Certificate (Aug 2026) — NDIS Quality and Safeguards Commission

CORE SKILLS

NDIS & Compliance: Service Agreement Tracking, Compliance Documentation, Data Validation & Record-Keeping, Audit-Ready Activity Logging

Admin & Operations: CRM & Case Management, Payment/Refund Request Processing, Scheduling Support, Cross-team Coordination

Tools & Software: Sirius CRM, HelpScout, Google Workspace, Microsoft Office, Lovable.dev, Supabase, GitHub

FEATURED PROJECT: NDIS AGREEMENT HUB

Service-agreement tracking system built for NDIS providers (Lovable.dev / Supabase)

- Built role-based access control (owner/staff) with tested permission boundaries
- Implemented data validation enforced on both frontend and backend to prevent invalid records
- Built CSV import/export with per-row validation and error handling
- Implemented a full activity log for compliance auditing — who changed what, and when
- Automated reminder emails for agreements unsigned 7+ days via the Resend API

WORK EXPERIENCE

Customer Support Senior Specialist

Apr 2024 – Present

Platserv — Beko AU&NZ Account (Manufacturer), Muntinlupa City

- Manage end-to-end case handling for 50+ daily customer interactions across phone and email, maintaining sub-2-hour response times via HelpScout
- Process and document 200+ appliance warranty claims monthly at 98% accuracy, creating and updating records in Sirius CRM
- Review and submit payment and refund requests together with service orders, forwarding them to the designated team for processing
- Maintain accurate service order documentation in line with manufacturer compliance guidelines

Process Associate

Oct 2022 – Jan 2024

Genpact Services LLC — Financial Retail Support, Muntinlupa City

- Handled 50–60 inbound calls daily, resolving account-related inquiries and achieving First Call Resolution through clear communication
- Managed transaction inquiries, disputes, and documentation requests, ensuring accurate record-keeping

EDUCATION

Bachelor of Science in Business Administration, Major in Marketing

San Pedro College of Business Administration | 2018–2022
